

GeneScan

Letter of Verification

Verification of In-House Program (VIP)

**Supplement Manufacturing Partner, Inc.
1 Rodeo Drive
Edgewood, NY, 11717**

Eurofins GeneScan hereby verifies that the above Organization has implemented and is maintaining a Non-GMO Program in accordance to their Non-GMO Verification Program concerning testing for Genetically Modified Organisms as defined by the program titled:

Non-GMO Storage and Handling

Based on documentation presented to Eurofins GenesScan and an audit conducted on-site at headquarters and the co-manufacturing facility, this document is confirmation that the above-mentioned client's program includes implemented measures to control the presence of Genetically Modified Material. It has been verified that all aspects as described in the program are being maintained.

Date of Expiration: 05/31/2024
Certificate Registration Number: 07182023SMP
